 Jumeirah Beach Hotel, Dubai

ADA CERP® | Continuing Education Recognition Program
Center for Advanced Professional Practices (CAPP) is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Estimated 8 CME hours

DR. EDUARDO MAHN

Dr. Mahn graduated from the University of Chile in 2004. He received the German DDS, one year later. The New York University College of Dentistry certified him as Implantologist in 2007. In 2008, he published his doctorate thesis in 2008 titled "Osseointegration of zirconia implants, an in vivo study" and got his doctorate degree in 2010 from the University of Duesseldorf, Germany. Between 2007 and 2009 he worked for Ivoclar Vivadent at the ICDE (International Center for Dental Education), Schaan, Liechtenstein and he is presently a guest lecturer at several universities. He is the author from a variety of articles and has been lecturing intensively about Esthetic Dentistry and Implantology in more than 50 countries. Dr. Mahn is presently the Director of Clinical Research and the Director of the Program of Esthetic Dentistry at the Universidad de los Andes, Chile. He is also a partner at the CIPO Clinic in Santiago, Chile, emphasizing comprehensive implantology, restorative and esthetic dentistry.
