Royal College of Surgeons of England
All of our lecturers are passionate about their chosen field of dentistry and aim to ignite the same passion within you. Our enthusiastic and knowledgeable lecturers teach best practices across a range of disciplines in a way that makes them understandable and easy to implement. We aim to improve your skills through practical sessions giving you the confidence to take on more complex cases.

**Prof Paul A Tipton, UK**
BDS, MSc, DGDP RCS, Dip Rest Dent, Dip Imp Pros, Dip Pros, Dip Aesth Dent, F CGDent
Specialist in Prosthodontics
President of the British Academy of Restorative Dentistry (BARD)

Prof Paul A Tipton, UK is an internationally acclaimed Specialist in Prosthodontics who has worked in private practice for more than 30 years. He is the President of the British Academy of Restorative Dentistry (BARD) and is the founder of Tipton Training Ltd, one of the UK's leading private dental training academies and the author of over one 100 scientific articles for the dental press. He has been named at #12 in 'The Dentistry Top 50' for 2017 in the UK and voted in the Top 20 'most influential dentists in the UK' by his peers in Dentistry Magazine in April 2012, the leading Prosthodontist in the poll. Prof. Paul was also voted in the top 5 dentists in Private Dentistry's Elite 20 poll, January 2012.

The programme will start on 25 April 2024 in Riyadh, Saudi Arabia.

Level 1 consists of 4 Modules of 3 days each, in a total of 12 days. Level 2 consists of 4 Modules of 3 days each, in a total of 12 days.

Target audience: GP Dentists, Dental Students, Dental Interns and other Specialist Dentists.

Hands-on training (50%) in every module on phantom heads, 3D printed teeth and other advanced models.

Participants will be exposed to dozens of different products and equipment from various dental companies throughout the course.

This is a non-commercial and non-sponsored educational course. The speakers are not sponsored or have any commercial interests with any company. The course delivers only high quality and evidence-based education.

Accredited by American Dental Association (ADA C.E.R.P.) with regards to CME points.

Training delivered by UK specialists.

Provides access to the Online Library of Tipton Training, where 30 days prior to every module, participant gain access to demo videos, webinars and reading materials.

Special attention to each single participant.

Organised by CAPP, Tipton Training and CAPP-Tipton Dental Academy.

Pathway to Level 7 Diploma.

Pathway to MSc (Clin) in the Specialist Practice of Restorative and Aesthetic Dentistry.

Modules are always on weekends.

Payment in instalments possible.

Delegates will have access to ongoing tutorials and live study clubs.

The programme is structured in a way which provides delegates with one-to-one mentorship and career development advice.

What Did They Say

“I appreciate the professional team making this event awesome.”
Dr. Rami Ali Abdul Hadi, Kuwait

“I highly recommend this course to dentists in Dubai (or anywhere in the world). I have met some amazing colleagues and have been trained by some of the best speakers in the world. The training facilities provided by CAPP really are top class.”
Dr. Maxine Annette Sowden Lusaka, Zambia

“I liked the simple way of Prof. Paul Tipton in explaining the complexity of occlusion. The hands-on is excellent and the feedback that we get from Prof. Paul and the other supervisors is very constructive. The hands-on is absolutely perfect.”
Dr. Huda Al Faqeeh, UAE

“The programme was much more wonderful and educational than I expected. The lectures by Prof Tipton were just too good and the hands-on was a totally new experience. As a dentist who graduated recently, it was a wonderful learning experience.”
Dr. Greeshma S Praveen, India

“I appreciate the professional team making this event awesome.”
Dr. Rami Ali Abdul Hadi, Kuwait

“Lots of hands-on, which was great, gave us enough time to practice and perfect.”
Dr. Maxine Annette Sowden Lusaka, Zambia
