

2nd Dental - Facial Cosmetic International Conference

05-06 November, 2010

Jumeirah Beach Hotel, Dubai UAE

Where Science Meets the Art of Beauty.

THE EVENT

The 2nd Dental - Facial Cosmetic International Conference on November 5th-6th 2010 was a great success, accomplish record attendance and further establishing a status as the dental industry's leading international conference. It took place at the Jumeirah Beach Hotel Dubai from November 05th to November 06th, 2010. Organized by CAPP and EMA Dental Society, the conference was supported by the Ministry of Health and Saudi Dental Association.

Thank you for having us part of the 2nd Dental-Facial Cosmetic International Conference. It was a pleasure to witness a successful event same as we had during that particular dates. It was a memorable event for all of us from Drs. Nicolas and Asp and we consider it truly remarkable.

Dubai gathered for the second time the world experts, an international conference, open to all specialists working in the field of aesthetic dentistry. As usual the best experts, speakers and specialists in the different fields of dental and facial cosmetic, the worldwide renowned specialists shared their experience.

Speciality Representation 2010

CONFERENCE PROGRAMME

The international event brought together the best experts, speakers and specialists in the different fields of dental and facial cosmetic from Middle East, UK, France, Germany, Switzerland, Italy, Norway and Austria. Participants were extremely happy with an excellent program and highly reputable speakers. This was proven from participants' feedback that the sessions they attended were greatly appreciated. This was based on the evaluation forms from all participants, showing an average score of 4.1 out of 5 for our informative program and Lectures.

The main conference schedule included four plenary sessions at the two days and four workshops before, during and after the conference days.

The scientific program was accredited by CME/CPD Section at Health Authority of Abu Dhabi, Saudi Commission for Health Specialties and Ministry of Health.

Dr. Munir J. Silwadi, Conference Chairman and Scientific Program Advisor hosted the 17 industry leading speakers.

Thank you for your organization, care for communication with attendees, selection of your speakers and topics, as well as generous hospitalities.

Eighteen different lectures with a variety of topics being discussed. The morning of day one started with a lively session presented by Dr. Julian Caplan from UK who presented "Aesthetic and Functional Control of Posterior CAD/CAM Restorations", followed

by Prof. Jean-Francois Roulet, Switzerland who discussed the interesting topic of "Anterior Esthetic Restorations". Dr. Andreas Kurbad, Germany followed with "Restoring the Perfect Smile with Minimum Invasive Methods".

Afternoon sessions presented another variety of topics being presented by Prof. Jean-Francois Roulet with his second topic – "Adhesion – the Driving Force In Dentistry Towards Perfect Restorations".

Dr. Joseph Sabbagh, Lebanon presented "Achieving Ideal Esthetics and Maximum Function with Composite", then Dr. Kathrine Trelles, Norway discussed "Improving Adhesivity of Composite Restorations with Er; Cr: Ysgg Laser".

Dr. Marc Baltensperger and Dr. Richard R. Lebeda from Switzerland presented "Aesthetic Profiloplasty – from Analysis to Surgery".

At the end of the day Mohamed A Abdallah, Egypt talked about "Secretes of Success with Esthetic Dental Composite" followed by Dr. Klaus Sinko, Austria with his topic "Evaluation of Aesthetics and Attribution of Personality Traits before and after Orthognathic Surgery".

WORKSHOPS AND COURSES

The conference featured an exciting program of four pre- and post conference workshops designed to provide participants with practical knowledge offered by leading experts. The range of sessions allowed attendees to focus on areas of interest.

All-On-4: A Simple Technique for Implant Rehabilitation of the Atrophic Edentulous Jaw

Dr. Munir J. Silwadi, UAE

Testimonials:

Good program, should have seen more clinical cases

Improve Your Cosmetic & Implant Dentistry with Laser Technology Workshop

Dr. Kathrine Trelles, Norway

Testimonials:

I hope this can be repeated 3 times a week

Selection of Jumeirah hotel is a very excellent choice

Everything wonderful, many thanks

Very nice presentation

It was a useful workshop

It was very nice program & my suggestion is to make more programs & lectures about Laser Specification.

Digital Clinical Photography in Dentistry - Hands On Course

Prof. Philippe Tardieu, France

Testimonials:

Excellent workshop, professional speaker, thank you Prof. Philippe

Thank you for having been part of this program, the speaker was very excellent. The program gave me news insights on perfect approach on taking photography. All the contents at the course were very interesting. Thank you again

Invisible Aligners Course

Dr. Nael K. Abo-Hassan

Testimonials:

It was good subject to discuss about but we need more organization and detail cases. But I will attend again for sure.

Nice presentation, This is a very useful course
