EVENT

Dubai gathered for the third time the world experts of Dental - Facial Cosmetic on 28th - 29th October 2011, an international conference, open to all aspects and specialists working in the field of aesthetic dentistry.

With the excellent ambiance and cozy atmosphere the conference again makes exceptional networking and connecting the leaders in the field of Aesthetic Dentistry – practitioners, researchers and industry players.

The organizers, CAPP and Emirates Dental Society achieve for the 3rd time great record of attendance and established a reputation as the industry's leading international conference. Jumeirah Beach Hotel hosts 756 participants in the very elegant atmosphere.

"Thank you, for keeping us informed with CAPP programs"

Bringing together industrial leaders and professional practitioners, the conference not only delivered extensive scientific knowledge from across the globe but gave way for an excellent opportunity to present the latest advancements and developments within the Facial Cosmetics practice.

The 3rd dental Facial not only opens the door to open discussion and learning for this knowledge hungry region but allows the participants to build their skills and use the Opportunity for networking and sharing experiences in the application of technology throughout the learning cycle - from primary and secondary education through to professional development and lifelong learning.

"The conference is well organized"

14 sponsors – Sirona, Ivoclar Vivavent, 3M ESPE, Noble Medical, VITA, Heraeus, GSK, KaVo, Al Mazroui Medical & Chemical Supplies, Philips Sonicare, sms Medical and dental Supplies, mps, Nikon and eight industry players - High Technology, Vertex Dental, Dubai Medical Equipment, Intensiv, Nucleoss, Dentoflex supported the conference, representing 7 countries – Germany, Austria, UK, Switzerland, Holland, Brazil, Turkey, UAE.

"It was a very informative and very refreshing conference"
